FOR IMMEDIATE RELEASE

September 9, 2025

Water Contamination Incident at TCRHCC

TUBA CITY, Ariz. — On September 8, 2025, at 5:22 pm, Tuba City Regional Health Care Corporation (TCRHCC) activated a Code Green in response to a water line issue affecting multiple facilities, including:

- Administration Building
- Specialty Care Center
- General Services
- South Oak Housing

As a precautionary safety measure, water services to the affected buildings were shut down and are currently not in use for any purpose, including by staff. Water line testing is underway to determine the scope and cause of the issue.

Continuity of Operations:

- The Specialty Care Center has moved into the Main Hospital operating within the Adult Care Unit to ensure uninterrupted patient care.
- The Mental Health Department remains operational and is conducting all appointments via Telemedicine.

Important Information for Patients and Visitors:

- The Emergency Department remains open.
- All bathrooms and drinking fountains in the Main Hospital Building and Outpatient Primary Care Center (OPCC) are currently operative.
- Patients with scheduled appointments in the affected clinics (Mental Health and Specialty Care Center) will be contacted directly by clinic staff.

Next Steps:

- Ongoing assessment and testing of water infrastructure.
- Coordination with facilities management and public health authorities as needed.
- Updates will be provided as more information becomes available.

Thank you for your cooperation and understanding.
