

Humphrey's Peak – Flagstaff, AZ

Saturday, September 20th @ 7:00 am (DST)

Transportation:

Please Note: Transportation to the hiking location will not be provided by TCRHCC or Health Promotion Disease Prevention. All participants are responsible for their own transportation to each hiking location.

Physical Requirements:

Must be physically prepared for the hike.

*If you have any knee problems, this hike may not be suitable for you.

Hiking Event Site Information:

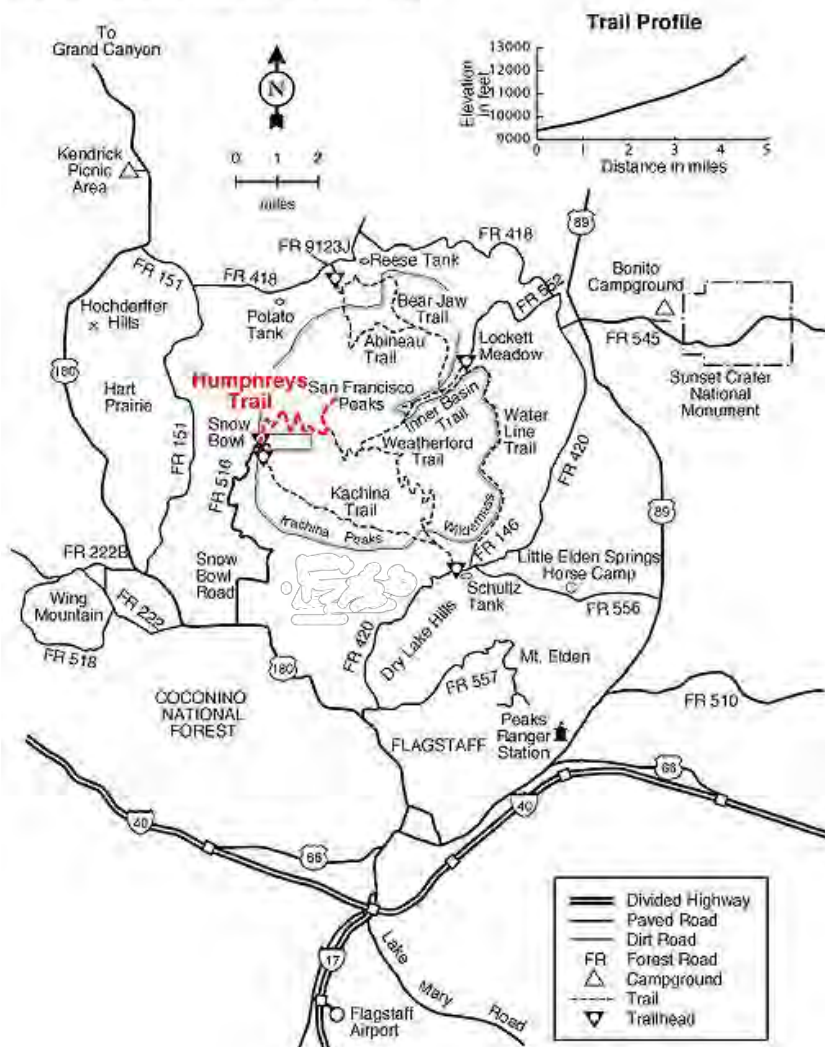

Hiking Time: 6-7 hours – ALL HPDP hikes are ONE DAY.

Distance: 9.5 miles round trip

Trail Rating: **STRENUOUS** (see physical requirements) NOT FOR BEGINNERS, requiring good physical condition and proper preparation.

Elevation Gain/Loss: 3,300 -3,400 feet

Trailhead: Arizona Snowbowl – Mount Humphrey's

How to prepare for the hike:

1. Always get a good night's rest before the hike. Pack your Items the day before the hike.
2. Hydrate the day before and day of the hike; everyone is required to carry their own water. It can get hot.
3. Wear comfortable light/layered clothing with a hat.
4. Watch weather forecast & dress accordingly.
5. Bring a trash bag. "Pack out, what you pack in!"

Items recommended for hiking:

- Light backpack/day pack.
- Durable hiking shoes with ankle support or shoes with good tread, "trail shoes".
- Light lunch & salty snacks (Granola bar, trail mix, fruit, crackers, beef jerky, etc.).
- Water (2-3 liters recommended)/ (electrolyte sports drink, coconut water, electrolyte tablets etc.)
- Sun block, bug repellent spray, & hat.
- Trekking poles or walking stick (not mandatory). HPDP will have trekking poles onsite, participants can check out poles before we hit the trail.
- Camera to capture wonderful memories & beautiful scenery.

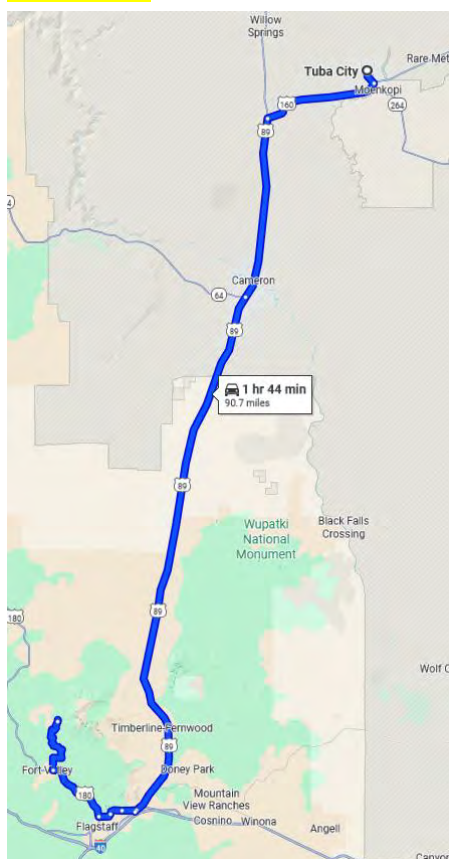

Safety Measures:

- 1) Please make sure that you are adequately hydrated, in good physical condition, & prepared for this hike.
- 2) Safety monitors will know the route of the course, directions, and know how to contact a medical emergency technician in case of an emergency. 928-779-3366 (Northern Arizona Healthcare- FMC Emergency Department) NOTE: spotty cell service on trail
- 3) Safety monitors will carry a first aid kit and extra water/electrolytes.
- 4) If any hikers (participants) need to stop the hike, or need to return to the main area, a safety monitor will escort the participant to the trailhead.

Meeting Location: 9300 N Snow Bowl Rd, Flagstaff, Az 86001

Meet at 7:00 am (DST) at AZ Snowbowl Trailhead parking lot. During this time, we will conduct gear checks and make sure that participants packed enough water, electrolytes, and snacks for the hike. Leave Tuba City no later than 6:00am.
