Get Started with Sunrise™ CarePath

Your Patient Portal Quick-Start Guide

What Is CarePath?

Sunrise CarePath is Tuba City Regional Health Care's patient portal. It's a secure way to view appointments, refill medications, check results — all from your phone.

Step 1: Download & Register

1. Open the invitation email from Tuba City Regional Health Care and tap Install Sunrise CarePath.
2. Download the app from the Apple App Store or Google Play.
3. Tap the CarePath registration link in the same email — have your Invitation Code ready.
4. Enter your email, verify it, and create a password.
5. Verify your mobile number by text (recommended), or choose email verification instead.
6. Enter your Invitation Code, accept the Privacy Policy and Terms of Use, and you're registered.

Invitations expire after 14 days — contact Tuba City Regional Health Care for a new one if yours has lapsed.

Step 2: Log In Anytime

Open the app → enter your email and password → verify with a text code → you're in.
